

Eversource Webinars: Solutions to Help Pay Energy Bills

Eversource is hosting six free webinars to help our customers learn about solutions to help pay their energy bill, including protection from service disconnection, programs to reduce past due balances with affordable monthly payments, extended payment plans, and our no-cost energy efficiency programs to lower energy bills.

Enrollment and participation in a financial assistance program or payment plan will prevent service disconnection. These plans charge no interest, require no down payment, and all customers qualify at least once for one or more of these plans.

These informative webinars will be delivered in English and Spanish according to the schedule below:

- Tuesday, February 16, at 10 a.m. (English)
- Tuesday, February 16, at 6 p.m. (English)
